ARIES MK6900 CRUSADER

Do you want the best NVD weapon sight on the market? If so then our new Aries MK6900 "Crusader" is for you. It doesn't get any better than the "Crusader" when it comes to performance. For the Crusader we use a top of the line "Prime Select" light intensifier tube for added light gain and resolution. Combine this select tube with 5x magnification and a super fast F:1.4 lens the image that you will get out of your "Crusader" is unbelievable.

The best optics, tubes and 2 year warranty makes the Aries MK6900 "Crusader" one of the best Night Vision weapon sights there is!
