NIGHT STORM-3N

Item #: NVMNSTM3NB

The Night Storm-3N by ATN is a compact, waterproof night vision monocular designed for boating and other recreational uses.

The Night Storm-3N combines a quality made 3rd generation image intensifier tube with a fast front lens system to provide the end user with a bright and sharp image.

Whether you are boating, observing wildlife, or providing security for your home, the Night Storm-3N is an excellent choice for your night vision needs.
